AN ENGAGED AUDIENCE

JCK has been the unparalleled thought-leader in the jewelry industry for decades, and we've got the audience to prove it. Our omnichannel approach covers what matters: the trends, the people, the powerful news that shapes us. That's why JCKonline, social media, newsletters, podcast, and magazine are the must-follows in the industry.

And that's why if you want to reach the decision makers, our channels are the place to be.

B2B EMAIL MARKETING

To get your message to jewelry industry professionals, JCK can execute your own email marketing campaign to an opted-in audience of 30,500 jewelry retailers.

Need help designing the perfect email? We have packages that include HTML creative development by a professional email designer. Want to make your email go that extra mile? Take advantage of our retargeting capabilities with display ads that reach the same jewelry store audience: 3 impressions per person, to be exact. This gives everyone who receives your email multiple chances to click through.

Let us partner with you to get your message across.

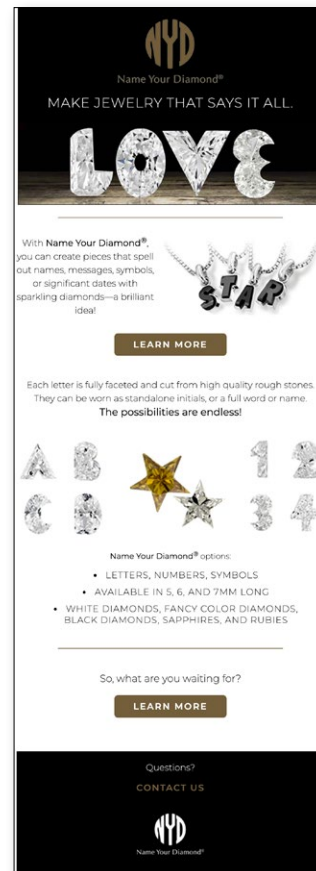

PACKAGES Audience: Jewelry Stores Total Audience Count: 30,500 (based in U.S)		RATES (except May)	MAY RATES
A1	Email (creative supplied by advertiser)*	\$4,300	\$5,300
A2	Email + creative development (HTML email design included)	\$5,800	\$6,800
A3	Email + 3 retargeted display impressions (all creative supplied by advertiser)*	\$18,000	\$18,000
A4	Email + 3 retargeted display ad impressions (HTML email & ad design included)	\$20,000	\$20,000

EMAIL MARKETING BENCHMARKS

For opens, we typically see a 20–40% open rate and strive for a 1–3% click-through rate (CTR). However, campaigns can often exceed these rates. 90% of the audience is mobile.

Each campaign performs differently with variable factors including: offer quality, subject line, timing, and overall creative. And don't forget the importance of a quality landing page.

CREATIVE SAMPLES

*Email must be provided as HTML unless you have purchased a package that includes creative design

NATIVE ADVERTISING ON JCKONLINE

CREATE A CONNECTION WITH INDUSTRY LEADERS

Put the power of JCK to work for your business with a native article that puts your message in front of industry decision-makers.

THE OPPORTUNITY

One native advertising article about your brand or products, with related promotions for one month. Your article appears on a custom landing page dedicated to your brand, and is promoted through key placements on JCKonline.

NEED HELP?

If you want to write the article, feel free! Or, get paired with one of our seasoned writers who will work with you to craft your ideal article—for an additional fee.

GOT VIDEO?

See native video advertising (p.13) for more information!

CONTENT

- Your native article, with brand recognition in the byline
- Dedicated advertiser landing page collecting all of your brand's native articles to remain on JCKonline beyond your campaign
- Ads that get 100% exclusive share of voice on article page and advertiser landing page (billboard and half-page ad)
- Link to your website within article

PROMOTIONAL SUPPORT PER ARTICLE

- Editorial hero unit on homepage (one week)
- Position in news article flow on homepage (one week)
- Inclusion in Sponsored Content carousel (minimum two weeks)
- E-newsletter news article flow (two newsletters)
- One social push via JCK's Facebook and Twitter channels
- Custom, branded, ROS ad units driving to article (15,000 impressions)

MONTHLY RATES

JANUARY, FEBRUARY, JUNE – DECEMBER \$6,800 per month

MARCH – MAY \$8,000 per month

Ask your sales rep about 6- or 12-month series discounts.

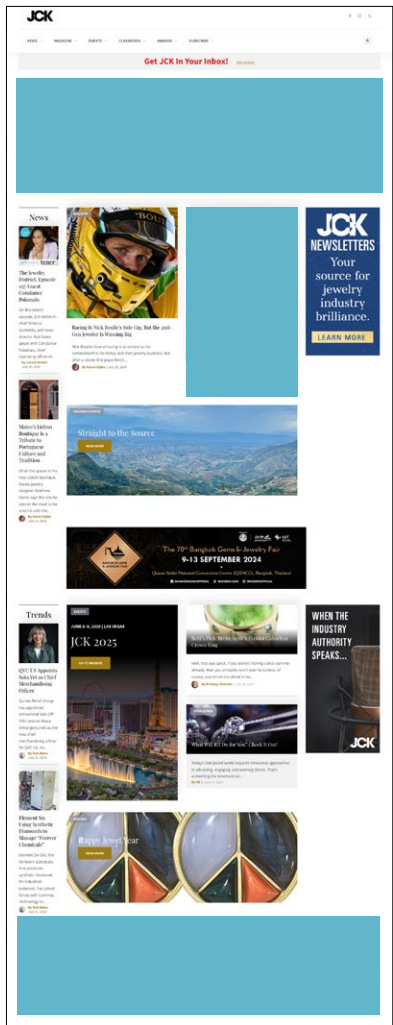

ARTICLE TOPIC STARTERS

- Educate on a new trend
- Identify a pain point and a savvy solution
- Inform with a how-to article
- Get personal with a profile of your company's leader
- Celebrate a company milestone

MARCH – MAY \$8,000

NATIVE VIDEO EXAMPLE

Natural Diamonds: A Great (but Often Untold) Geology Story

July 1, 2024 by JCK

Share     

Natural diamonds are rare minerals and exceptional gemstones. They formed millions of years ago deep in the earth under conditions which created a unique geological "signature" in their atomic structure and crystal morphology. This natural signature, which can be detected using scientific instrumentation, is important because it cannot be created in laboratory-grown diamonds which form very quickly by methods which do not exist within the earth.

This presentation will summarize aspects of the geological history and mining of diamonds that will hopefully provide jewelers with ideas to share with customers considering a natural diamond purchase.

Sizes allow for 1/8" trim at top, bottom and one side. Keep live matter 1/4" from all sides. Perfect alignment of type or design across gutter of two facing pages can't be guaranteed. Only advertisements fitting these specified sizes will be accepted.

REQUIRED DIGITAL MATERIALS

FILE SUBMISSION

Ad materials should be uploaded digitally via adshuttle.com/jck.

RESOLUTION

All continuous tone images (grayscale and color images) should have a minimum resolution of 300 dpi at 100%. Scanned black-and-white line art should have a minimum resolution of 800 dpi at 100% and a maximum resolution of 2400 dpi. Maximum Total Ink Density (TDI) is 300.

DIGITAL ADVERTISEMENT FORMAT

PDF/X-1a—which means that it conforms to PDF version 1.3 (Acrobat 4); it has an output resolution of 2400 dpi; it is composite CMYK; it uses high-quality JPEG or lossless Zip compression; resolution for color and grayscale images is 300 dpi; resolution for monochrome images is 1200 dpi; and fonts are embedded and subsetted 100%; as well as other characteristics. This format is acceptable for full or partial pages. Trapping is the responsibility of the file provider.

PROOF

JCK utilizes Virtual Proofing technology at its print facility. Hard copy guidance is no longer required. If you opt to use a proof for your internal color approval, please render at 100% size, to the SWOP 2006 #3 Data Set: SWOP2006_Coated3.

DISCLAIMER

All ads submitted via the portal must meet the above listed criteria. Out-of-spec files will be rejected and will require your immediate attention.

INSERTS & DELIVERY

CONTACT

To request print order requirements, due dates and additional information, please contact:

Chris Wengiel, PubWorX
212-450-0910
chris.wengiel@pubworx.com

A hard copy mock-up must be approved prior to printing and supplying an insert to the plant.

DEADLINE

Commitment is required by January 19 if JCK will supply the insert to guarantee paper supply due to current market conditions.

FULL PAGE BIND-IN INSERTS

Publication trim size: 10" w x 12" h
Delivered untrimmed size: 10 1/4" w x 12 1/4" h
Publication to trim: 1/8" from head, foot, grind, face

Live Matter: To be kept 1/4" from all four sides of final publication trim size.

All material jogs to the head.

Minimum paper weight for furnished inserts is 60 lb. book.

Perfect alignment of type or design across the gutter between an insert and run of book page cannot be guaranteed.

MAGNA STRIPPED INSERTS

Minimum width of magna strip: 4"
Minimum weight of magna strip: 9 pt. card stock

MAGNA STRIP PRODUCT DIMENSIONS

Maximum insert size: 9" x 11"
Minimum insert size: 5" x 3 1/2"
Position: 1/2" from the edge of the magna strip
All inserts on a magna strip will float. Perfs on supplied inserts are not preferred.

These will be evaluated on a case-by-case basis.

PACKING

All dividers must be cardboard or chip board.

All dividers must be fit to exact height, width, and length of the container carton.

Dividers must be used between specified lifts when loads are banded and/or strapped.

Cartons must be sized to fit product size.

Each carton should not exceed 40 lbs.

Cardboard slip-sheets are to be used between carton layers.

Eggshell cartoning is to be used for large envelopes

and for inserts with open glue lines.

No more than two separate inserts per pallet/carton and mark clearly.

Large quantities that are brick stacked must follow these guidelines:

- Product must fit skid and power-pac (no oversized containers or skids)
- Cardboard slip-sheets between lifts
- Maximum of 5" to 6" vertical lift size
- Backbone compensate between lifts and pile outward
- Lifts to be same height and square throughout load
- Load must be properly secured:
 - Wooden top
 - Banded
 - Corner boards
 - Shrink-wrapped

No more than one insert on bulk pallet. If to be used on multiple issues, must be cartoned and clearly marked if on one skid.

PALLET SIZE

40" x 48" 4-way entry with bottom runners. There should be no missing boards.

MAXIMUM PALLET HEIGHT AND WEIGHT

48" high (including pallet) and no more than 2500 lbs. Inserts are to be stacked brick style in consistent counts. The entire skid should be wrapped in plastic and strapped.

LABEL EACH PALLET

Publication title, insert name, and issue date to the attention of the CSR
Skid number (1 of 2, etc.)
Quantity of inserts on pallet

Packing slips must accompany each shipment. A sample of the insert is to be affixed to two sides of each pallet.

CARTONS

Packed carton weight must not exceed 40 lbs. Cartons exceeding 40 lbs. will be subject to repackaging charges.

IF SHIPPED IN CARTONS

Name and issue date of publication
Skid number
Quantity of inserts in each carton and total on pallet
Packing slips must accompany each shipment.

A sample of the contents is to be affixed to each carton. Labels must be clearly marked and large

enough to be read from a 15 ft. distance.

LOAD

Inserts should be furnished to LSC/Liberty brick stacked on pallets in 6" lifts with all unit lifts facing one direction.

Cartons should be used when the nature of the insert or card does not permit brick stacking, or if additional protection of the material is required.

Cartons should have uniform quantity. Pieces inside cartons should have uniform orientation. Maximum of two lifts per carton is acceptable if compensation is necessary for packing. Individual cartons must weigh less than 40 lbs.

DELIVERY

Advance notice of 24 to 48 hours is required for all bulk insert shipments.

Inserts are to be delivered between 7 a.m. and 4 p.m., Monday through Friday. Weekends, holidays, or after hours by exception only.

Include detailed packing list showing total quantity per carton and/or pallet and total quantity of cartons/pallets. Reference the publication title and issue date.

Address/consign shipments to:

Quad
555 South 108th Street
West Allis, WI 53214 -1145

RECEIPT OF DAMAGED GOODS

Damaged materials will be reported to the carrier and photographed. Photographs will be forwarded to your CSR if needed for repair assessment. If material is judged to be unacceptable for receiving, the load may be refused.

If the specifications as outlined above are not followed, extra handling may occur which could result in additional charges to the supplier.

*Subject to availability. Space limited.
